

Teak Timber

Technical product datasheet • Project pre-evaluation document

ORIGIN	Southeast Asia; also plantation sources
PRODUCT TYPE	Tropical hardwood
CHARACTER	Naturally oily and durable
APPEARANCE	Light brown to golden-brown tones
PRODUCT / FORM	Timber and project-specific cuts
PRIMARY APPLICATIONS	Exterior, marine, furniture and custom timber applications
DENSITY / TECHNICAL VALUES	Confirmed per project according to species, grade, section and moisture content.

TECHNICAL NOTE

Natural oil content and technical properties can vary by growing region, grade and moisture condition.

This datasheet provides preliminary product-selection information. Final technical suitability should be evaluated together with service conditions, project requirements, product grade and applicable standards.
